## TRAINING CAMP 3

The third official WOC2020 training camp will take place in the period 23-26 March 2020. The training camp will include one Knock Out training competition and several other high-quality trainings. The training camp will be directly succeeded by Danish Spring 2020 to be held north of Copenhagen some 2.5-hours' drive from the Triangle Region.

Our plan is to offer organised trainings in Middelfart, Teglgårdsparken, Vejen and Grindsted. All those areas will support technical sprint orienteering also relevant for WOC2020. The maps are drawn for WOC2020 by our WOC mapper.

For the trainings and knock out competition, we have arranged access permission to private backyards and other interesting orienteering areas. Note that it will not be allowed to train on the maps outside the arranged training hours.
